Meet the teacher

Alexandra Nicole Hinchcliff

She's originally from Churchill, MT. She attended college at MSU in Bozeman MT. Her hobbies are reading, traveling, and enjoying a nice cup of tea. Her two favorite quotes are "Out of suffering have emerged the strongest souls; the most massive characters are seared with scars." and "Courage is the first of all virtues". She looks forward to basketball games during the school year and hopes to get to know all her students and build a report. In 5 years she sees herself starting her 5th year of teaching; hopefully at Frazer or DODEA school. She is not married and has no kids. She was inspired to become a teacher by her high school english teacher and she wants to inspire students. Bonus fact: her favorite junk food is a whatchamacallit.

Native American Week

This past week was Native American week and Frazer brought their A game. Monday morning Frazer School had the tipi raising at 10:15am in the front lawn. Classes were called down. The school will have a guest speaker on Monday; times will be announced. The guest is Siouxpa-man. He was here at 8:30am speaking to the whole school. Also,Monday was “NATIVE BLING DAY”and students wore their native attire. Tuesday was “wear sportgear and braids.” Wednesday all students would have attended the buffalo hunt; unfortunately, the hunt was cancelled due to an accident. Instead the 7th-12th students went on a field trip to the museum at the Fort Peck Reservoir. Also Wednesday is “WARRIOR DAY”and students wore their camo gear. Thursday was the annual cross country meet at Clark’s hill and a hand-game tournament with Mr. White. The 2nd grade won the tournament for the elementary and the freshman class won it for the high school. Also,Thursday was “ROC YOUR MOCS” so moccasins were worn. The annual Pow-wow started at 12:30 and went till the end of school. It was “NATIVE PRIDE DAY.” Staff and students wore their native gear with your bearcubs pride gear.

Meet the Staff

Angela Renee Quilty

Angela is originally from florida, she also attended college at south university savannah georgia. Her hobbies are stand-up paddleboarding and traveling like a local, not a tourist. Her favorite quotes are “you have brains in your head. you have feet in your shoes. You can steer yourself any direction you choose”-Dr.seuss and the second quote is “evolution intended us to be travelers settlement for any length of time, in a cave or castle, has at best been ... a drop in the ocean of evolution may time”-bruce chatwin anatomy of restlessness. She looks forward to getting to know all the students, the teachers, and learning how the clinic can best serve the school and community. Her goal is to survive the montana weather because she’s from florida. She is married and they have two kids, their son is named Killiam and he’s 24 years old and their daughter mallong is 19 years old. She decided that she wanted to become a nurse practitioner because when she was in college she didn’t know what she wanted to do she wrote down everything she knew and what she did not want to do and what was important to her. What she was left with was job stability and the ability to work anywhere. She did not play any sports in highschool or college. Bonus fact: her favorite junk food is cheetos puffs and fruit roll ups.

Chandalynn ran a 32:02

High school boy
Blue Fettig ran a 23:50

Jr. high
Noelani ran a 11:35
Raelene ran a 13:26
Lsabelle ran a 14:13
Aubney ran a 15:08
Cecil ran a 16:12
Lola ran a 16:49
Madison 17:4
Kathenn 18:22

Jr.high boys
Cassias ran a 12:38
Joseph ran a 12:58
Robin ran a 13:24

Volleyball-

This year the volleyball season is short because it is the Lady Bearcubs first year and they're on a JV schedule. They're scheduled for 3 games maybe 4 if Poplar wants to compete against us. The Lady Bearcubs lost both of their games against Nashua and Wolf Point, but they have a game on Saturday against North Country. The Lady Bearcubs lost the North Country game, it was 3-1. Hopefully next year they have a better season and more games because they will be more experience.

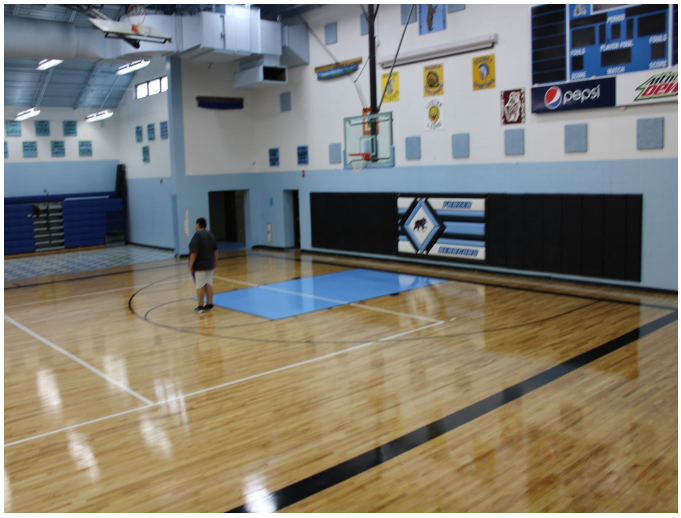
Gym Renovation

The gym floor was repainted during the month of September. The gym was scheduled to be closed from the 5th to the 20th; however, the painters completed the gym on an earlier time frame. The actual gym closure was from the 4th to the 18th. Thanks to their eggcellent work Frazer School has a shiny new floor.



Until the next issue!
